

LEGAL NOTICE NOTICE OF CONSTRUCTION

In accordance with requirements of Title 327 IAC 15-5, this is to notify interested parties of proposed construction by Kirklin Main Street. The Kirklin Trail project includes earthwork, asphalt paving, and some sidewalk installation in Clinton County, in the Town of Kirklin. The project runs from Jefferson Street to SR 38 along the old Monon Railroad bed in Section 7, Township 20 North, Range 2 East. A Notice of Intent will be filed with the Indiana Department of Environmental Management with the intent to discharge stormwater from construction activities. Stowers Ditch is the primary receiving water for the project. Questions regarding the project should be directed to Jason Eisenhart, P.E. with Banning Engineering, Inc. (banning@banning-eng.com or 317-707-3700).
